Holiday Recycling for The Village of Chagrin Falls

Please make this season brighter by reducing waste and conserving resources. Chagrin Falls Village and Cuyahoga County Solid Waste District (216-443-3707) is encouraging residents tips to reduce, reusing and recycle Holiday Items.

1. **Bring broken, burned out holiday lights to the District.**

The Solid Waste District accepts broken, burned out or tangled strings of holiday lights for recycling year-round. Simply drop unwanted light strings, power cords and power strips in the marked box in the District's office lobby at **4750 East 131st Street in Garfield Heights**. Hours are Monday - Friday from 8:30 a.m. - 4:30 p.m. Light strings are recycled by a Cleveland company to benefit Cleveland Metroparks Zoo's lion and cheetah conservation program.

2. **Recycle old cell phones and other electronics at retailer near you.**

Each year 130 million cell phones are thrown out – that's about 65,000 tons. If you're getting or gifting a new smartphone this year, drop off its predecessor at any AT&T, Best Buy, Staples, Verizon or other retailer that offers in-store recycling services. The District also accepts personal electronics for recycling year-round at its location in Garfield Heights at 4750 East 131st Street.

3. **Recycle gift wrap & gift boxes.**

Wrapping paper, holiday cards and boxes that are 100 percent paper can be recycled. Don't forget to have your recycling container or craft paper bag handy while everyone is opening gifts! Recycle plain cards and wrappings with your regular curbside paper collection or take it to a local mixed paper drop-off. Please do not include photos, foil, plastic coating, ribbon, bows and glitter in your recycle bins.

4. **Holiday Tree Recycling.**

The Chagrin Falls Street Department offers curbside collection of Holiday Trees from all residences in the Village of Chagrin Falls. Collection dates will be on Monday, January 4th and Monday, January 18th weather permitting. After January 18th Kimble our solid waste hauler will remove them on your trash day.

Please place Holiday Trees on the tree lawn for collection, removing ALL decorations, garland, tinsel, stands and lights. NO decorated or artificial trees will be accepted.

Wood chips are available at the Street Department. M-F 7:30AM – 3PM

Thank You
