EXPANSION

The commission, along with Mayor Tomko, reviewed possible options for expansion.

ENTRY FENCE

The commission agreed that the new wrought iron fence that was installed at the main entrance of Evergreen Hill Cemetery looks very nice.

MAUSOLEUM

There was discussion regarding converting the existing mausoleum into a columbarium. Mayor Tomko said he would like to get started on this project the first of the year. They have to run electricity into the building for interior lighting and they have to fill the floor in with concrete.

Mr. Trace said he would like to have Gerardo Garcia, from Columbarium by Design, sit in on one of their meetings to get his input on the conversion.

The meeting adjourned at 10:00 a.m.

Larry Trace, Chairman
