

**VILLAGE OF CHAGRIN FALLS
ADMINISTRATION AND COMPENSATION COMMITTEE
May 28, 2020**

Members present: Wyville, DeBernardo, Evans
Also present: Mayor Tomko, Bloom, Jamieson, Rogoff, Rockey

The virtual meeting was called to order at 2:00 p.m. by Chairman Darren Wyville.

HEALTHCARE BENEFITS

Mayor Tomko said that the village would like to look into a higher deductible healthcare plan in 2021. This change could save the village between \$38,000 and \$76,000 per year, with no additional costs being passed on to the employees. Tom Wirbel of CPI/HR explained that the one downside of the proposed change is that covered village employees would need to complete online healthcare history applications. CPI/HR would then use these applications when they approach the market for 2021 rates.

The meeting adjourned at 2:25 p.m.
