

**VILLAGE OF CHAGRIN FALLS  
STREETS AND SIDEWALKS COMMITTEE  
June 8, 2020**

Members present: Evans, DeBernardo, Newell  
Also present: Mayor Tomko, Bloom, Grube, Rogoff, Rockey, Jamieson

The meeting was called to order (via Zoom) at 6:45 p.m. by Chairman Janis Evans.

**RE-PAVING OF CERTAIN STREETS AND BELL STREET IMPROVEMENTS**

Mrs. Evans said this includes Bellview Street, Bradley Street, Maple Lane, Columbus Street, and portions of Bell Street along with sidewalks on Bell Street and Philomethian Street.

Mr. Newell mentioned that any week now the construction on East Washington Street will begin. He asked Mr. Jamieson if any work will be done on Bell Street simultaneously with East Washington Street. Mr. Jamieson said no. There was further discussion and questions were answered.

Moved by Mr. Newell, seconded by Mrs. DeBernardo that we recommend Resolution No. 2020-22 to Council. Carried. Ayes: Evans, DeBernardo, Newell. Nays: None.

**NO STOPPING OR PARKING ZONE ON BELL STREET**

During the East Washington Street project and closures, Bell Street will be the main detour and is already a heavily traveled roadway. The proposal is to enforce a no stopping or parking zone for delivery trucks and landscape trucks during certain times of the day so that traffic can flow freely. There was discussion, no action was taken.

The meeting adjourned at 6:58 p.m.
