Updated  
 Friday 7/24/2020

**NEWS RELEASE**  
**2020 FIRE HYDRANT TESTING & FLUSHING**

All fire hydrants will be tested & flushed starting on July 6th, and will continue daily, in order by street thereafter.

Daily thru July | Mon - Fri | 8am - 4pm | Until Completed

Hydrants will be flushed by street, in the following order until completed.

**Immediate and nearby areas will notice a drop in water pressure while hydrants are being flushed as well as discolored water. This is expected and all will go back to normal shortly after.**

- **Highlighted streets** are where they are currently flushing for the current week.
- **Crossed-off streets** have been completed.
- Some **discolored water** may be noticed and should clear up within 3 or 4 hours after flushing.
- It is advisable to do **laundry** outside of the timeframe the hydrants are being flushed in your neighborhood.

**Please feel free to call the Utilities Department office at 440-247-5051 to find out what street they are currently flushing.**
